

IGA/AMSI Workshop

Australia-Japan Geometry, Analysis and their Applications

19-23 October 2015

Venue: Ingkarni Wardli building 7.15
University of Adelaide

Global analysis relies on combining ideas from the complementary areas of geometry and analysis. This workshop will bring together researchers from Australia and Japan with interests in these areas with the aim of building capacity both in interdisciplinary pure research and in applications.

Invited Speakers

Peter Bouwknegt (ANU)

Alan Carey (ANU)

Mikio Furuta (Tokyo)

Kiyonori Gomi (Shinshu)
